

How to download Easibooks

(www.easiteach.com)

This help sheet will explain how to download Easiteach maths activities and teacher's notes from the Easiteach website.

Open Internet Explorer and type www.easiteach.com in the address bar.

Select *Log In* and enter Username and Password.

After you have logged in save the page in your Favourites List, so you can go straight to it next time.

After you have *Logged In* you will see the screen below.
From this screen you can select Main activities or Mental Starters.

Choosing Main Activities or Mental Starters will take you to this screen. Select an appropriate age group of children, before clicking on the [Go...](#) button.

You will be presented with a number of [Easibook](#) pages which you can download, and [Teachers Notes](#) which you can read and print. These can be saved onto the Net-work to create a bank of re-sources which can be accessed throughout the school.
